

1 Ton Portable Rental Air Conditioner MovinCool Classic Plus 14

Versatile and Instantly Ready

The MovinCool Classic Plus 14 has all the benefits of the proven Classic Series, PLUS new features designed to increase performance and control. The Classic Plus is the most versatile portable AC unit. It is instantly ready to provide cool air in the hottest environments such as production lines, outdoor events, manufacturing processes, injection molding, metal forming and much more. The Classic Plus features a programmable temperature controller allowing the user to "set" the desired temperature.

Product Features

- Digital temperature control. Set the desired temperature and walk away.
- Operates on standard 115v power.
- Provides up to 13,200 Btu/hr of cool air. Maximum spot cooling to just the spot that needs it.
- Handles temperatures up to 113°F. Provides cooling in the hottest environments.
