

1 Ton Portable Rental Air Conditioner MovinCool Office Pro 12

Perfect for Computer Cooling

The MovinCool Office Pro 12 portable room air conditioner is specifically designed to provide computer cooling for offices filled with heat-generating electronics. Computers, networks, communications and office equipment will shut down when the temperature rises, crippling daily operations. Both equipment and employees will benefit from the level of spot cooling that the Office Pro 12 provides.

Product Features

- Provides 12,000 BTU/h of cool air which means maximum spot cooling to just the room that needs it.
- Programmable Digital Controller
- Operates on standard 115V power.
- No costly installation necessary. Roll it in, plug it in, turn it on.
- Provides cooling down to 65° F... the ideal operating temperature for heat sensitive electronics.
