

200 Amp Feeder Cable Tie-In Set with Cam-Type Connectors

Lex Products

POWERFLEX™ CABLE ASSEMBLY

The PowerFLEX™ cam-type feeder cable tie-in set allows qualified personnel to tie-in to a lug or bus bar (ring terminal needed for bus bar). Cable assemblies are made with single-pole cam-type connectors for feeder applications. They are perfect for theatrical, motion picture, and live event applications

PRODUCT FEATURES

- Weatherproof type cable assemblies.
- Extra hard usage single layer thermoset jacket
- Provides superior durability over thermoplastic PPE
- Longer cable life
- Outperforms thermoplastic PPE heat & flame resistant - will not melt
