

## 25Kva - 20kW Rental Generator TecnoGen PK22TSX

### Providing Reliable Power

TecnoGen's PK22TSX generator is the first model in the EnerMax lineup. Powered by a Perkins diesel engine coupled to an industry standard Leroy Somer alternator provides 18 kW of prime power.

Features internal fuel capacity of 37 gallons giving you over 24 hours of run time @ 80% load. A DeepSea controller makes retrieving vital stats like fuel levels, run time and start logs easy. Sealed doors and 2" thick insulation throughout allow for a 67 dBA rating.

### Product Features

- A Perkins 404D-22G diesel engine provides quiet and efficient power while not requiring a costly DPF.
- Control panel, with Deep Sea Controller, laid out and labeled for easy use.
- Camlocks are standard in addition to the lugs for easy color coded hook ups when using distribution panels and boxes.

### Product Specifications

#### Performance Data
