

Rental 100 Amp 3 Phase Pagoda to L21-20 Locking Receptacles

Lex Products

PowerHOUSE™ Portable Distribution Box

This box may be powered from a generator, a panel or a larger distribution box. This distribution box can be used at outdoor events to provide 20 Amp locking receptacle power. The locking receptacles help ensure positive connection and prevent disconnecting under load. The receptacles can be used to power lights, effects and audio equipment.

Product Features

- Heavy duty molded rubber enclosure is fully insulated and resistant to shock, impact and corrosion.
- Circuit breakers are mounted under hinged lid for enhanced safety.
- Stackable and compact for easy storage and portability.
- Elevated base keeps receptacles above ground level.
