

Rental 400 Amp 3 Phase Cam-Type Spider Box

Lex Products

PowerHOUSE™ Portable Distribution Box

This spider box is fed by a generator or panel and splits off five separate sets of 5 wire Cam-type receptacles. It allows multiple areas on a construction site or multiple film shots to be set up and used as needed over the course of a day. The runs are not used simultaneously and there is no overcurrent protection.

Product Features

- High-density polyethylene (HDPE) top, bottom and sides provide superior impact, weather and shock resistance
- Compact for convenient portability
- Expedient means of distributing 400 Amp, 3 Phase Cam-type cable runs
